ATTORNEY GENERAL

Ms. Sammie Glasco
Assistant General Counsel
Texas Department of Banking
2601 North Lamar Boulevard
Austin, Texas 78705-4294

OR95-1144

Dear Ms. Glasco:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, chapter 552 of the Government Code. Your request was assigned ID# 22323.

The Texas Department of Banking (the "department") received a request for documents in its possession. Specifically, the requestor seeks:

all documents available to the public with regard to the following institutions for the time period beginning January 1, 1988 and ending January 1, 1993:

1. American Bank of Haltom City;
2. Ameritex Bank of Dallas; and
3. American Bank Grapevine.

You state that the department has released in response to the request for information the following general classes of information:

1. Complaints;
2. Transmittal letters and general correspondence not related to financial or condition information;
3. Certificates of authority;

4. Press releases;
5. Certificates of authority to operate branches;
6. Bank Tax Public Information Reports; and
7. Call reports and profit and loss statements.

You contend, however, that the remaining information responsive to the request contains information that is excepted from required public disclosure under sections 552.101, 552.110, 552.111, and 552.112. You have submitted for our review documents separated into 5 groups and you have indicated which exceptions apply to the specific groups.

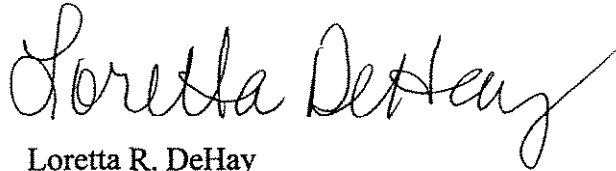

Section 552.101 of the Government Code excepts from required public disclosure information deemed confidential by statutory law. You contend that all of the documents submitted to this office are made confidential under V.T.C.S. article 342-210(a). The Seventy-fourth Legislature repealed article 342-210, V.T.C.S., of the Texas Banking Code. Texas Banking Act, 74th Leg., R.S., ch. 914, § 26, 1995 Tex. Sess. Law Serv. 4451, 4551 (Vernon). The confidentiality of information submitted to the department is now governed by section 2.101 of the Texas Banking Act. *Id.* § 1, 1995 Tex. Sess. Law Serv. 4451, 4467 (Vernon). Section 2.101 provides in part that:

(a) Information obtained directly or indirectly by the department relative to the financial condition or business affairs of a financial institution, or a present, former, or prospective shareholder, participant, officer, director, manager, affiliate, or service provider of a financial institution, other than the public portions of call reports and profit and loss statements, whether obtained through application, examination, or otherwise, except published statements, and all related files and records of the department are confidential and may not be disclosed by the banking commissioner or an employee of the department except as expressly provided otherwise by this Act or rules adopted under this Act.

Id. (emphasis added). A financial institution is defined as "a bank, savings association, or savings bank maintaining an office, branch, or agency office in this state." *Id.* at 4455 (Vernon) (to be codified as section 1.002(a)(25) of the Texas Banking Act). Accordingly, information that is information obtained by the department that concerns the financial condition or business affairs of a financial institution or a present, former, or prospective shareholder, participant, officer, director, manager, affiliate, or service provider of a financial institution, other than the public portions of call reports and profit and loss statements, is made confidential by section 2.101 except as provided otherwise by the act or by rules adopted under the act. You have, however, advised us that the department has already released the information that falls within the exceptions to confidentiality expressed in this section. You must therefore withhold the requested information under section 552.101 of the Government Code as information deemed confidential by law.

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied upon as a previous determination under section 552.301 regarding any other records. If you have questions about this ruling, please contact our office.

Yours very truly,
